**THE MASTERS 1** *is produced to provide a collection of photo reference studies to be used by the Artist and Art Student in his studies of anatomy and the posing of the model. While it is always preferable to use a live model, photographs can provide an invaluable reference when a professional model cannot be obtained. Those desiring erotic or prurient material are warned that such is not to be found in this product, nor is it our intention to provide material of such a nature.*

*All products of GAY PARISIAN PRESS – films, slides, books and photo sets – are produced on the highest quality photographic and printing materials. All products of GAY PARISIAN PRESS are produced from the original negatives and prints supplied to us by photographers and models working expressly for us.*

*Beware of cheap copies and duplicates of our work, which cannot compare in quality and detail as contained in the originals as produced by GAY PARISIAN PRESS. Look for this notice whenever you purchase photo sets, films, color slides, or publications.*
